

BRIEF PREVIEW OF ESIDOLLAR

Esidollar Sunshine Pig Investment Company Limited, simply called ESPICO Ltd, is a limited liability company with a vision of excellence in the entire pig value chain. Areas of vision include pig production, live pig & pork marketing, Conversion of waste products to energy, feed production and pig value chain research.

The Government of Ondo State, in partnership with Ondo State Pig Farmers Association, have constructed and equipped an ultra modern piggery facility at the pig village located at Ilutoro near Ala in Akure North L.G.A. The facility is capable of accommodating fifty sows apart from the servicing boars. It is the intention of the partners to sell off their prior investments to ESPICO shareholders through this initial offer.

ESPICO limited will take over the operations of the facility and expand its scope to cover the above stated vision. In addition two similar outfits will be established in the other two senatorial zones, of Ondo State.

A total of four thousand share are being offered for subscription in this initial offer which will subsist between 28th February and 28th April, 2022
